

Effort Coordinator Training

Effort Certification and Reporting Technology, or **ecrt**, is designed to help you comply with the provisions of TTUHSC El Paso’s effort reporting policies, federal policy OMB Circular A-21 section J.10., NIH Salary Limitation on Grants and other relevant agency policies that govern the need to provide certification of an individual's effort pursuant to his/her sponsored and nonsponsored programs. TTUHSC El Paso’s effort certification process is simplified and standardized as a result of this technology.

Ecrt Basic Information:

The Process Timeline chart reflects one whole quarter of effort reporting and certification for TTUHSC El Paso. The top section of the chart shows the breakdown of each period. Highlighted in yellow on the left side of the chart are the roles of the Effort Coordinator and the PI/Certifier. The activities that are performed by each role are shown in the center of the chart divided by each period.

- During the Period of Performance and 10 Days period representing the Period Close, the activities are shaded indicating very limited activity by the Effort Coordinator.
- During the 3 Week Pre-Review Period, the Effort Coordinator is reviewing effort statements.
- During the 3 Week Certification Period, PI’s and Certifiers are certifying their own effort and PI’s are certifying the effort for all related individuals. Effort Coordinators are processing effort statements.
- During the Post Certification Period, Effort Coordinators will follow up on any Labor Redistributions and /or Sponsor Notices and initiate the Escalation Policy for any individuals on the list of noncertifications.

	Quarterly Period of Performance	10 Days	3 Week Pre-Review Period	3 Week Certification Period		Post Certification Period
Effort Coordinator	Collect Payroll & Adjustments	Period Closes	Pre-Review Period Activity	Prepare & Agree	Process	Post Certification Activity
PI/Certifier				Certify Personal Effort	PI's Certify Effort of Researchers	

In this Process Timeline chart example, actual dates have been added associated with each of the actions that are occurring during this quarter of effort reporting and certification.

Date	Action
March 1 – May 31	Period of Performance Effort Statements are building in <u>eCRT</u> .
June 1 – June 10	Period closes, no action required – Waiting for payroll to load on the 10 th day after the month/quarter end.
June 11 – June 30	Pre-Review Period – Statements are ready for Effort Coordinators to review. Allow up to five days for a Labor Redistribution to process.
July 1 (22 days for certification period)	Certification Period Begins – PI's and Certifiers are notified that they have effort statements to certify. Effort Coordinators begin to process certified statements.
July 7 (15 days before certification is due)	PI's and Certifiers who have not certified receive a second reminder to certify. Effort Coordinators continue to process certified statements.
July 22 (Day of certification)	PI's and Certifiers who have not certified receive a final reminder to certify. Effort Coordinators continue to process certified statements.
August 1	Post Certification Activity – Follow up on Labor Redistributions, Sponsor Notices,... etc. Initiate Escalation Policy – list of non-certifications sent to Deans and VP's.

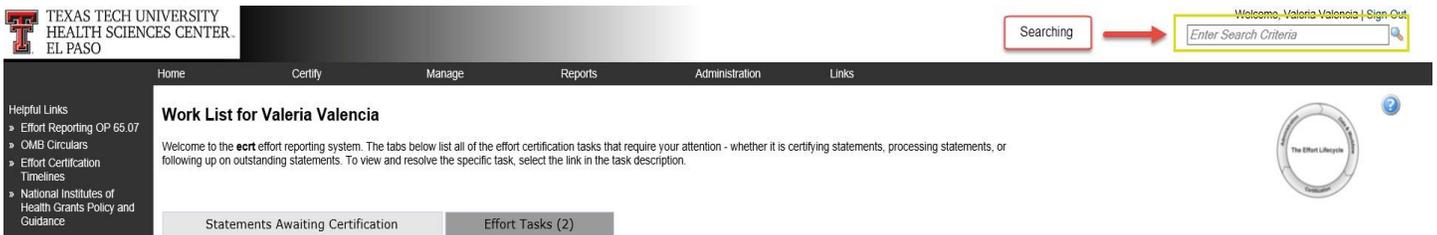

Automatic Email Notifications - Ecrt will automatically send email notifications to all Certifiers, PI's and Effort Coordinators:

- During the Period of Performance email – sent to Effort Coordinators to remind them to review their effort statements as they build.
- Pre-Review email – sent to Effort Coordinators to tell them to review final effort statements before any certification activity takes place.
- Certification Period Start email - **Ecr**t will automatically send email notifications to individuals who have certification responsibilities. These emails will be sent on the first day of the certification period. Effort Coordinators will receive an email with a list of all certifiers within their department who need to certify statements.
- Certification Period Reminder emails - three reminder emails are sent to the Certifiers and the Effort Coordinator will receive an email with a list of who still has to certify.
- Payroll Reconciliation email - sent as a reminder that a task has been created because of a Labor Redistribution that affects an effort statement that was in Certified, Processed status.

Searching - At the top of every screen is a search box that allows you to search for data within the system. This feature allows you to search for an employee, department, grant or

FOP. You enter the text to search and when the results are narrowed to one you are directed to the appropriate page – the effort statement page for a person, the Department Dashboard page for a department, or a new browser window opens with the Grant/FOP Summary page for a Grant/FOP.

If there are multiple possible results based on the text entered, a message appears below the search box displaying the number of possible results. You can continue to enter text to narrow the results or you can select the magnifying glass icon, which directs you to the Look-up page with the results from the search. From the Look-up page, you can select the correct element or can continue entering information to yield a single result, at which point you are directed to the appropriate page for the data element. The Look-up page will be covered in more detail in the Manage menu section of this training handout.

Search Boxes - At various points in the application, a data entry search box is presented. The system will search on the character string that is entered, and return all items that include the string entered. All search boxes use this methodology. You will only be able to search for Departments, Individuals, Grants, and FOPs that are associated to you and your departments (ORG Level 5).

You must search by last name only, first name only, ID number only, or by last name then first name. Type in a minimum of three characters (letters or numbers) from the intended result, and then pause for a few seconds. The program will query the database, and download a list of matches to the search text, which appears in a blue box under the search box. Put the cursor on the intended result, click the mouse or hit the enter key and then click on **Choose**.

ecrf v4.5 System Guide

B. Department Dashboard

The ecrf solution makes it easy for Effort Coordinators to review and manage the information related to a department, sub-department, or division, including the employees, accounts, and awards associated to that department. The Department Dashboard page shows this information for the selected department on a page with three different tabs

The Department Dashboard page is available only to those users with appropriate rights to view it, typically central administrators and Effort Coordinators. Users are not able to access any other departments from this page unless they have been assigned as an Effort Coordinator or department viewer for a specific department.

The Department Dashboard can be accessed from the Look-up page, using the Search feature, and via the Department Dashboard link in the Manage section of the navigation menu bar, among other links.

Navigation:

EcrT can be accessed from the WebRaider Portal, under the HSC Finance El Paso tab. Click on the “Effort Certification and Reporting Technology (ecrt)” link found under Accounting > Contracts and Grants Accounting.

The screenshot shows the WebRaider portal interface. At the top, there is a navigation bar with the following tabs: Home, HSC Employee El Paso, Available Budget, News, F&A Work Tools, Payroll & Tax, HSC HR El Paso, **HSC Finance El Paso**, My Content, and Cognos. The 'HSC Finance El Paso' tab is selected, and the sub-tab 'HSC Finance El Paso' is also active.

The main content area is divided into several sections:

- El Paso Business Affairs Announcements:** Contains various news items under categories like Business Affairs, Accounting, EOPS and ePAFs, and PCard.
- Accounting:** Contains links for Accounting Home, Contracts, Forms, Helpful Links, and a list of systems including Account Code Dictionary, FITS, and Financial Manager Change Request. A red box highlights the link for "Effort Certification and Reporting Technology (eCRT)" under the Contracts and Grants Accounting Home section.
- Budget:** Contains links for Budget Home, Contracts, Forms, Helpful Links, and a list of systems including Budget Revision System, Budget Prep System, and Fringe Projector.
- Procurement Services:** Contains links for Purchasing Home, Contracts, Forms, Helpful Links, and a list of systems including Account Code Dictionary, TechBuy System, and PO/Encumbrance Change Request.
- Finance Systems Management (FSM):** Contains links for FSM Home, Announcements, Contracts, Forms, Helpful Links, and a list of systems including Procurement Policies and Reference Materials.
- Applications Development:** Contains links for Applications Development Home, Contracts, Helpful Links, and Reference Materials.
- Student Business Services:** Contains links for Student Business Services Home, Contracts, Forms, Helpful Links, and a list of systems including Cash Receipt System.
- Business Affairs:** Contains links for Business Affairs Home, Calendar, Contacts, Helpful Links, and a list of systems including Approval Tracking System (ATS), Cognos Connection, and Contract AR System.

A red box with a white arrow points to the "Effort Certification and Reporting Technology (eCRT)" link in the Accounting section. A text box next to it says "Click on 'Effort Certification and Reporting Technology (eCRT)'".

At the bottom of the page, there is a footer with the text "Node: xc90.ttu.edu" and "For Assistance Contact IT Solutions Center © 2018 Texas Tech. All rights reserved".

The Welcome page is displayed. Click on **Continue**.

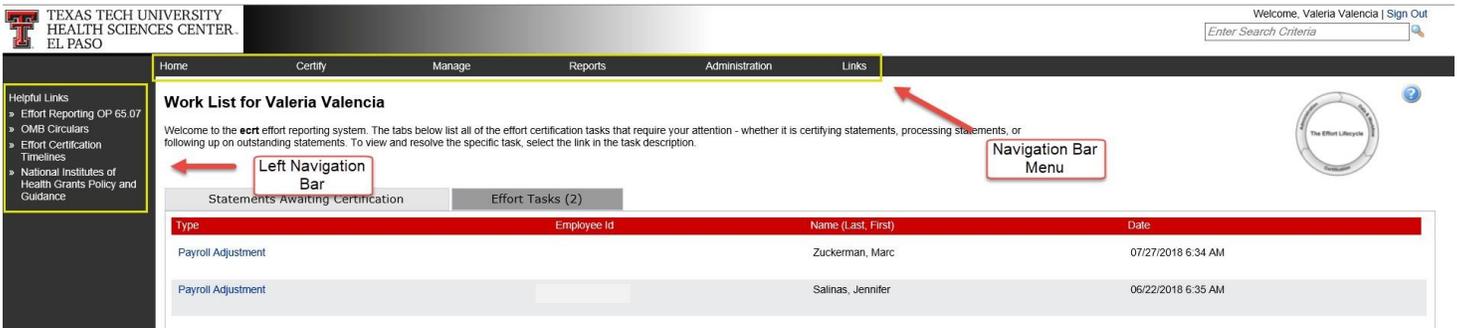

Welcome to ECRT

Welcome to the next big thing in time and effort reporting... Effort Certification and Reporting Technology (ECRT)
At Haron Consulting University, we have deployed the web-based ECRT system to serve as the new tool to facilitate the institution's effort reporting and certification process. The institution's previous process - which included a variety of paper forms and cumbersome manual processing - will no longer be used. Individuals that are required to review and certify their research effort can take comfort knowing that this new technology dramatically simplifies the process.
ECRT is a web-based technology that intuitively guides certifiers and administrators through the various facets of the effort reporting and certification process on a periodic basis. The ECRT system uses a guided process to walk you through the steps that you will need to complete your effort certification. Our institution's process will be simplified and standardized as a result of this technology... keeping the process simple for you, the end user.
The ECRT system is designed to help you comply with the provisions of this institution's effort reporting policies, federal policy OMB Circular A-21 section 1.10, NIH Salary Limitation on Grants, and other relevant agency policies that govern the need to provide certification of an individual's effort pursuant to his/her sponsored and non-sponsored programs. Faculty and staff are required to complete and submit an Effort Certification Statement for review and approval by a user's respective deadline.
So, log in and get started. You will be certified before you know it!

Navigation Menu Bar - The primary method of navigating within the system is using the navigation menu bar along the top of the screen. The navigation menu bar is on every screen of the application, allowing you to move from one page to another quickly. When you place the cursor on a label in the navigation menu bar the available pages to which you can navigate appear in the menu drop-down list. The **Home** menu on the far left returns the user to the **Work List** from anywhere in the application. There are also clickable links available on certain pages of the application that allow you to select for navigation to other pages.

The **Left Navigation Bar** that is available on the Work List page contains useful links to training documents and other reference material. These links are also displayed in the **Links** drop-down menu in the navigation menu bar which is available at the top of every page of the application.

The screenshot shows the ECRT system interface. At the top, there is a navigation menu bar with tabs: Home, Certify, Manage, Reports, Administration, and Links. The 'Links' tab is highlighted. Below the navigation menu bar is the 'Work List for Valeria Valencia' page. On the left side, there is a 'Left Navigation Bar' containing a list of helpful links. A red arrow points from the 'Links' tab in the navigation menu bar to the 'Left Navigation Bar'. Another red arrow points from the 'Left Navigation Bar' to the 'Navigation Bar Menu' (a circular menu icon) on the right side of the page. The main content area displays a table of effort tasks.

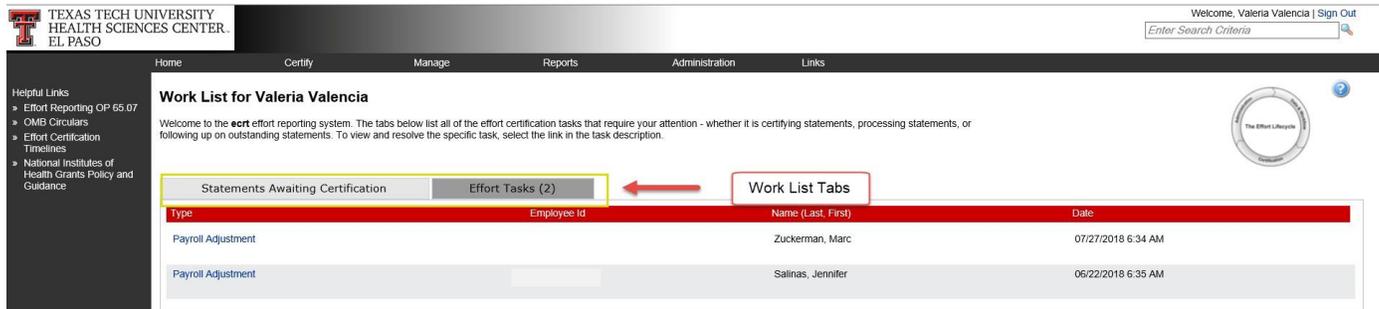

Type	Employee Id	Name (Last, First)	Date
Payroll Adjustment		Zuckerman, Marc	07/27/2018 6:34 AM
Payroll Adjustment		Salinas, Jennifer	06/22/2018 6:35 AM

Work List Page:

The Work List page lists the tasks that require your attention. There are a maximum of three tabs that may be displayed on the Work List page depending on the user's role. In this example for the effort coordinator, there are two tabs:

- Statements Awaiting Certification
- Effort Tasks

Next to the tab name is the number of items displayed on the page. The number of items is populated once the tab is viewed and updates after an item is resolved and removed from the list.

Work List for Valeria Valencia
 Welcome to the **ecrt** effort reporting system. The tabs below list all of the effort certification tasks that require your attention - whether it is certifying statements, processing statements, or following up on outstanding statements. To view and resolve the specific task, select the link in the task description.

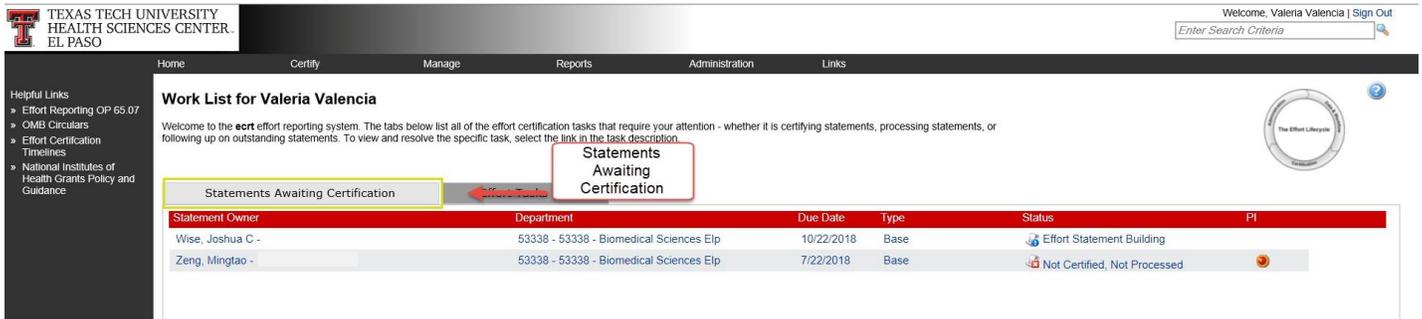

Statements Awaiting Certification Effort Tasks (2) ← Work List Tabs

Type	Employee Id	Name (Last, First)	Date
Payroll Adjustment		Zuckerman, Marc	07/27/2018 6:34 AM
Payroll Adjustment		Salinas, Jennifer	06/22/2018 6:35 AM

The First Tab is the **Statements Awaiting Certification** tab. The list in this tab shows all statements for which you have certification responsibility. Your own statement will always appear first on the list.

The tab displays six columns of information. The first column is the **Statement Owner** name, followed by the statement owner's **Department**, the **Due Date** of the certification, that is, the date by which the statement must be certified, the **Type** of statement, the **Status** of the statement, and a button (if applicable) that displays a pop-up window that shows the **PI** related to the uncertified lines on the statement.

To access a statement from the list, select a name from the **Statement Owner** column which will direct you to the effort statement page. Selecting the **Due Date**, **Statement Type**, or **Status** of a specific statement will also direct you to the effort statement. Selecting the **Department** will take you to the Department Dashboard.

Work List for Valeria Valencia

Welcome to the **ecrt** effort reporting system. The tabs below list all of the effort certification tasks that require your attention - whether it is certifying statements, processing statements, or following up on outstanding statements. To view and resolve the specific task, select the link in the task description.

Statements Awaiting Certification

Statement Owner	Department	Due Date	Type	Status	PI
Wise, Joshua C -	53338 - 53338 - Biomedical Sciences Elp	10/22/2018	Base	Effort Statement Building	
Zeng, Mingtao -	53338 - 53338 - Biomedical Sciences Elp	7/22/2018	Base	Not Certified, Not Processed	

The second tab, **Effort Tasks**, contains the list of effort processing tasks and Payroll Adjustment Reconciliation tasks that you are responsible for resolving. This tab will appear only if you have tasks and the **Work List** page will default open to the **Effort Tasks** tab. To resolve a task, click on the task and be taken to the appropriate page for action. This will be covered in more detail in the **Effort Tasks** section which appears after the **Certify** sections.

Certify My Statement:

The **Work List** page for the Faculty/Certifier lists the tasks that require the certifier's attention in the **Statements Awaiting Certification** tab. Next to the tab name is the number of items displayed on the page. This list shows all statements for which the certifier has certification responsibility. In this example there is one (1) Statement Awaiting Certification.

The tab displays six columns of information. The first column is **Statement Owner**, followed by the statement owner's **Department**, the **Due Date** of the certification, that is, the date by which the statement must be certified, the **Type** of statement which is Base, the **Status** of the statement and a button (if applicable) in the **PI** column that displays a pop-up window that shows the PIs related to the uncertified lines on the statement. To access a statement from the list, the certifier must select their name from the **Statement Owner** column which will direct them to their effort statement page. Selecting the **Due Date**, statement **Type** or **Status** of a specific statement will also direct them to their effort statement.

The certifier may also access their statement by clicking **My Statements** from the **Certify** navigation menu located in the navigation menu bar along the top of the screen.

Click on "My Statements"

Welcome to the **ecrt** effort reporting system. The tabs below list all of the tasks that require your attention - whether it is certifying statements, processing statements, or following up on outstanding statements. To view and resolve the specific task, select the link in the task description.

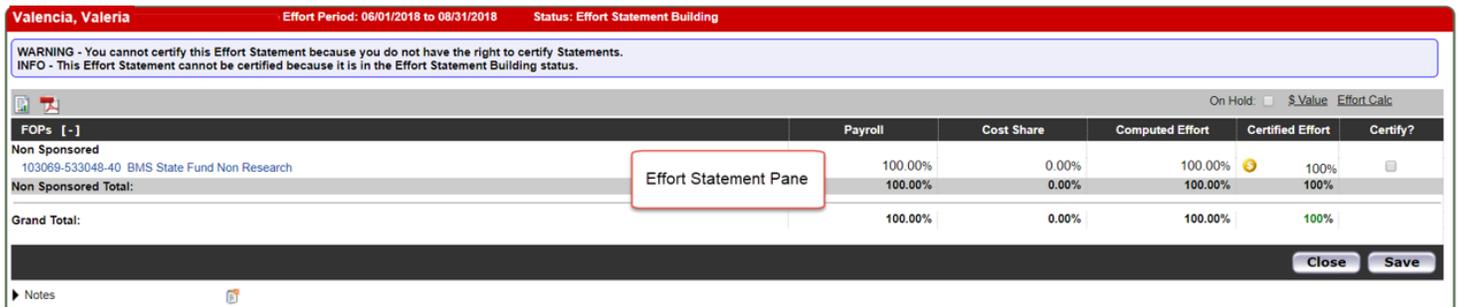

Statement Owner	Department	Due Date	Type	Status	PI
Wise, Joshua C -	53338 - 53338 - Biomedical Sciences Elp	10/22/2018	Base	Effort Statement Building	
Zeng, Mingtao -	53338 - 53338 - Biomedical Sciences Elp	7/22/2018	Base	Not Certified, Not Processed	

The **Effort Statement** page displays three panes containing information relevant to the certification process: the **Work List** pane, the **Statement Information** pane and the **Effort Statement** pane.

[-] Effort Statement Instructions

The screenshot shows two side-by-side panes. The left pane, titled 'Work List', has a dropdown menu set to 'Statements Requiring Certification'. It lists two entries: 'Wise, Joshua C' and 'Zeng, Mingtao', both associated with '53338 - Biomedical Sciences EIp'. A red box labeled 'Work List Pane' is drawn around the list. The right pane, titled 'Valencia, Valeria', shows a navigation tree with 'Statement Owner', 'Effort Statements', 'Needing certification', 'In progress', and 'Historical'. The 'In progress' item is selected, showing a 'Base' entry for '10/22/2018' with a status of 'Effort Statement Building'. A red box labeled 'Statement Information Pane' is drawn around this entry.

The screenshot shows the 'Valencia, Valeria' pane with the 'Effort Statement Building' status. A warning message is displayed: 'WARNING - You cannot certify this Effort Statement because you do not have the right to certify Statements. INFO - This Effort Statement cannot be certified because it is in the Effort Statement Building status.' Below the warning is a table with columns: 'FOPs [-]', 'Payroll', 'Cost Share', 'Computed Effort', 'Certified Effort', and 'Certify?'. The table contains one row for 'Non Sponsored' with a value of '100.00%' in the 'Certified Effort' column. A red box labeled 'Effort Statement Pane' is drawn around the table. At the bottom right, there are 'Close' and 'Save' buttons.

The top left pane is the **Work List**. The **Work List** is sub-divided into three groupings – **In Progress**, **Statements Requiring Certification** and **Recently Completed**. The **In Progress** list for the Faculty/Certifier shows their name, the department number and the department name. The **Statements requiring Certification** list is not applicable to the certifier. The **Recently Completed** will list all completions.

Three screenshots of the 'Work List' pane are shown side-by-side. The first screenshot shows the 'In Progress' grouping, listing several faculty members and their departments. The second screenshot shows the 'Statements Requiring Certification' grouping, which is currently empty. The third screenshot shows the 'Recently Completed' grouping, which contains the message: 'There are no completed Effort statements associated to you.'

The top right pane on the Effort Statement page is the **Statement Information Pane**. There are multiple expandable/collapsible lists in the pane. If the arrow is pointing to the right, then the list is collapsed; if the arrow is pointing down, the list is expanded. The first list is the **Statement Owner** list which displays information about the certifier including their title, Primary Effort Coordinator, home department and email address which is a hyperlink to send an email. The Effort Coordinator's name is also a hyperlink allowing the certifier to send an email to the Effort Coordinator when the name is selected.

▶ Historical ★

Statement Owner List

The next list, titled **Effort Statements**, contains information about all of the certifier's statements. A gold star will appear next to the **Effort Statements** label if there are any statements for the certifier. The statements in the **Effort Statements** list are grouped into three additional lists. The first list is the **Needing Certification** list which contains any statements in a Not Certified Not Processed status. A star appears next to the label and the statements appear below the label. The certification due date (which is the end date of the Certification Period) and the status of the statement are displayed. The second list is the **In Progress** list which contains any statements in the Certified, Not Processed status or Effort Statement Building status. A star appears next to the label and the statements are listed below the label. The third list is the **Historical** list which contains statements from any previous period. A star appears next to the label and the statements are listed below the label. The statements are listed in ascending order, meaning the oldest statement is first and the most recent statement is last. The certifier can view any historical statement by clicking on the statement status link.

The third pane displays the certifier’s effort statement. The **Effort Statement Header** displays their name and R number, followed by the employee type, statement type, Period of Performance dates, the due date, which is the last date of the Certification Period, and the status of the statement. Below the header is the **Message Box** that will under certain circumstances display information about the statement. Below the **Message Box** is the **Statement Action Bar**, which is an area that contains a variety of icons and links that allows the certifier to perform certain actions:

- The **Run Reports** icon allows them to run selected reports to which they have access that contain more information about the data on the effort statement.
- The **PDF Report** icon generates the Effort Statement PDF that is used for a Manual Certification.
- The **\$ Value** link displays the payroll dollars underlying the percentages on the effort statement. Remember, the statement cannot be certified in the \$ Value mode.
- The **Effort Calc** link is a tool that calculates a percentage of effort based on an input of average hours worked.

Grand Total:	100.00%	0.00%	100.00%	100%	

The body of the effort statement contains the data that is critical to the certification. The **Grant/FOP** column displays a list of all the Grants/FOPS that the certifier was paid from. The **Payroll** column shows the percentage that the certifier was paid from a FOP for the period. The **Cost Share** column shows the total cost share recorded for the certifier for that FOP for the period. The **Computed Effort** column shows the sum of the **Payroll** and **Cost Share** columns. This is the total effort for the period. The total in the Computed Effort column may add to more than 100 percent because of rounding. This will have no adverse effect on the certification process or statement. Before certifying it is critical that the certifier reviews all of the FOPs on their statement and confirms that their effort is correctly documented.

The **Certified Effort** column is where the certifier can make adjustments to their effort. It is prepopulated with a best guess based on their payroll distribution, but the certifier should certify based on how they actually spent their time. To change a percentage, click in the **Certified Effort** box and type the percentage of effort spent working on the sponsored project related to the FOP.

In the event that a sponsor has a mandatory salary cap, an individual's salary in excess of the salary rate cap is considered an unallowable cost that cannot be charged directly to the grant. The unallowable portion of salary over the cap is considered cost sharing and must be charged to a nonsponsored, nonfederal fund. A separate salary cost sharing fund must be created for each grant that is subject to the salary cap limitation. The red **CAP** icon to indicate that salary cap cost sharing is required appears on the statement next to the appropriate account name only if the Adjusted Cap Salary exceeds the salary cap amount associated to the sponsor for the Period of Performance. For the cost sharing account, if the amount of cost sharing on the account exceeds the calculated salary cap cost sharing amount, the **CAP** icon will be green. If the cost sharing amount is less than the calculated salary cap cost sharing amount, the icon will be red.

The NIH salary cap for grants awarded in calendar year 2012 is \$179,700. The **Salary Cap Calculator** link which is available on the **Left Navigation Bar** of the **Work List Page** or in the **Links** menu drop down list, is a good tool designed to assist the Certifier in determining how much the current salary rate is over the NIH salary cap and how much will need to be recorded as cost sharing.

Clicking on the **CAP** icon will display the **Cap Alert** page. The **Cap Alert** page contains three sections of important information: The first section shows the ratio of support from the sponsor and the institution based on the certifier's salary. In the middle section, the system will calculate the necessary payroll and cost share amounts required to meet the committed effort based on two measures. The first calculation determines the minimum amount of cost sharing that should be present on the statement based on the payroll dollars and the salary cap. The second method calculates the distribution between payroll and cost sharing based on the total Computed Effort amount. At the bottom of the page is a flex calculator. If the certifier intends to certify at a different percentage, they can enter the percentage of desired payroll to determine the additional amount of cost sharing that should be present or the intended Certified Effort to determine the distribution between payroll and cost sharing.

Cap Alert! ?

This FOP is subject to a salary cap limitation. This necessitates that effort put forth on this FOP is supported by both the institution and the sponsor. The salary cap limitation results in a percentage of all total certified effort to be cost shared by the institution. As a result, salary charges that are driven by your effort may need to be adjusted.
 For this particular award, the salary cap limitation suggests the following relationship between institution and government supported grant effort:
 41.19% = Percent of grant effort supported by institution
 58.81% = Percent of grant effort supported by sponsor

For purposes of this award, it is derived that - at a minimum and assuming certified effort will equal the computed effort - the following ratios would be expected to be certified.

Payroll %	Cost Share %	Computed Effort %	Certified %
5.79	4.05	9.84	9.84

\$ Info: The "Payroll %" to the left represents a salary amount of \$4543.70 and the "Cost Share %" represents a salary amount of \$3178.24.

It is acceptable if the Payroll % is less than what is indicated above and the cost share is more than what is indicated above. Such an outcome may indicate the presence of other cost sharing in addition to the salary cap cost sharing.
 If the Certified % equals zero, then proceed to the FLEX CALC below. If you intend to certify at a percentage other than what is indicated above - which is permissible - please use the calculator below to determine the expected payroll and cost share percentages. Input your expected certified effort in the shaded input field.

FLEX CALC

By Computed Effort

Payroll %	Cost Share %	Computed Effort %	Certified %
			<input type="text"/>

\$ Info: The "Payroll %" to the left represents a salary amount of \$ and the "Cost Share %" represents a salary amount of \$.

A cost sharing transaction may need to be established to FOP for the revised salary cap cost sharing. Please consult with your effort coordinator or departmental administrator to process changes before certification.

Below the body of the statement are expandable sections for **Notes, Attachments, Transactions, Activity Log, Email Log** and **Certifiers and Approvers**. The **Notes** section is available to facilitate communication among people who share access to a statement – effort coordinator and Certifier/PI. When the certifier does make changes to their effort, it is helpful to leave a note describing the changes in the **Notes** section. To leave a note, they must click on the **Add a Note** icon.

The certifier enters the note in the **Create New Note** text box and clicks on **Save Note**.

Click "Save Note" →

In the **Attachments** section, the certifier can attach supporting documents to an effort statement by clicking the **Add an Attachment** link.

The **Transactions** log provides details of each of the payroll transactions that were loaded to the effort statement. It also documents the certification process and can be a helpful tool when determining who took an action on a statement and when.

The Activity Log tracks actions and activities that are not captured in the Transactions log. The actions that are tracked in the log include:

- Accessing and viewing the statement
- Saving the statement
- Placing the statement on hold
- Taking the statement off hold

The **Email** Log captures all emails relevant to the specific effort statement to which the log is related. The log records the following emails:

- All notification emails and all reminder emails specific to the statement
- Emails about the statement being put on hold
- Group emails based on the status of the statement, regardless of where the message was initiated
- Emails about the statement being returned to the certifier(s) or reopened

The List of **Certifiers and Approvers** is a helpful tool to determine what users have access to this statement. The Processor is the Primary Effort Coordinator who will process the statement when it is certified. The Certifiers are any PIs or Designees who can certify the statement based on their association to grants/FOPs on the statement.

To complete the certification of an effort statement, the certifier should review the percentages in the **Certified Effort** column and make adjustments as necessary. The **Grand Total** of the **Certified Effort** column must be between 99 percent and 101 percent. If the certifier wants to save changes but not certify, they can select the **Save** button. To cancel any changes that have been made, select the **Close** button. When they have reviewed all lines of the statement and are ready to certify, they should click the **Certify Checkbox** for each line or they can check all the boxes by clicking on **Certify Checkboxes** in the column header.

The **Certify Checkboxes** must be checked in order to certify that line of the effort statement. Click the **Certify** button to complete the process. An error message displays if the total certified effort in the % of Effort column is either less than 99 percent or greater than 101 percent.

Welcome, Raquel Diaz-Jaquez

Certify - PI's Perspective:

The **Work List** page for a PI contains the **Statements Awaiting Certification** tab. The **Statements Awaiting Certification** tab lists all effort statements for which the PI has responsibility to certify all or part of the statement for. The PI's own statements will always appear first on the list. Once the PI certifies their line(s) on the statements, the statements will no longer appear on the list.

The tab displays six columns of information. The first is the **Statement Owner** name, followed by the statement owner's **Department**, the **Due Date** of the certification, that is, the date by which the statement must be certified, the **Type** of statement – Base or Non-IBS, the **Status** of the statement, and a button (if applicable) that displays a pop-up window that shows the **PI** related to the uncertified lines on the statement.

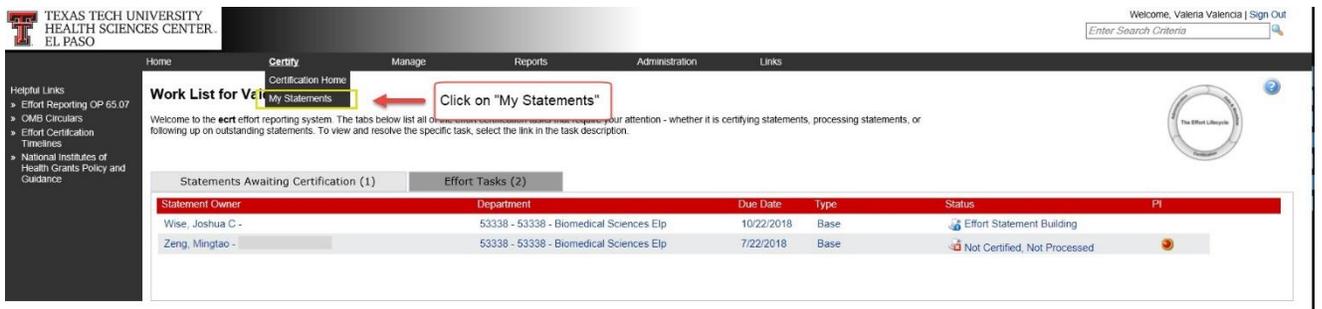

Welcome to the **ecrt** effort reporting system. The tabs below list all of the effort certification tasks that require your attention - whether it is certifying statements, processing statements, or following up on outstanding statements. To view and resolve the specific task, select the [link in the task description](#).

Statement Owner	Department	Due Date	Type	Status	PI
Wise, Joshua C -	53338 - 53338 - Biomedical Sciences Elp	10/22/2018	Base	Effort Statement Building	
Zeng, Mingtao -	53338 - 53338 - Biomedical Sciences Elp	7/22/2018	Base	Not Certified, Not Processed	

To access a statement from the list, select a name from the **Statement Owner** column which will direct the PI to the effort statement page. Selecting the due date, statement type, or status of a specific statement will also direct the PI to the effort statement.

The PI can also access their effort statement by clicking on **My Statements** from the **Certify** navigation menu drop-down.

Welcome to the **ecrt** effort reporting system. The tabs below list all of the effort certification tasks that require your attention - whether it is certifying statements, processing statements, or following up on outstanding statements. To view and resolve the specific task, select the [link in the task description](#).

Statements Awaiting Certification (1) Effort Tasks (2)

Statement Owner	Department	Due Date	Type	Status	PI
Wise, Joshua C -	53338 - 53338 - Biomedical Sciences Elp	10/22/2018	Base	Effort Statement Building	
Zeng, Mingtao -	53338 - 53338 - Biomedical Sciences Elp	7/22/2018	Base	Not Certified, Not Processed	

The **In Progress** list on the effort statement shows the PI and everyone that is currently related to the PI. The PI always appears at the top of this list. Related individuals will appear in the list if they have at least one statement with an uncertified FOP on which the user is the PI. The **Recently Completed** list shows related people that have effort statements for the current Period of Performance that have been certified.

Select All – The PI has the ability to select all the people in the viewed list at one time by clicking on the **Select All** icon. This tool is most useful when the PI wishes to review and/or certify multiple statements at one time. The **Select All** icon is the first icon to the right of the **Active** label.

[-] Effort Statement Instructions

Base Effort Period: 06/01/2018 to 06/31/2018 Status: Effort Statement Building

WARNING - You cannot certify this Effort Statement because you do not have the right to certify Statements.
 INFO - This Effort Statement cannot be certified because it is in the Effort Statement Building status.

Similar to certifying their own statement, a PI should review each of the lines that they are certifying to ensure the percentage effort is correct. The PI is only able to certify the FOPs that he/ she is a PI on – as well as any Non-Sponsored FOPs. It is important to note the **Message Box** on this effort statement. It states that “This effort statement has multiple certifiers. Only lines that require your certification can be accessed.” The line missing the **Certify Checkbox** would need to be certified by another PI.

Effort Tasks:

The Effort Coordinator will have a number of effort tasks that need to be performed based on actions taken during the certification period. The tasks can be accessed from the **Effort Tasks** tab on the **Work List** page. This tab will appear only if you have tasks and the **Work List** page will default open to the **Effort Tasks** tab. The **Effort Tasks** tab contains the list of effort processing tasks and Payroll Adjustment Reconciliation tasks that you are responsible for resolving. Next to the tab name is the number of tasks you have to complete. The number of tasks you have to complete updates after an item is resolved and removed from the list.

To review an effort statement waiting to be processed, click on the task from the **Effort Task** list and be taken to the appropriate page for action.

Statements Awaiting Certification (1) **Effort Tasks (1)** ← **Effort Tasks Tab**

Type	Employee Id	Name (Last, First)	Date
Payroll Adjustment		Zuckerman, Marc	07/27/2018 6:34 AM

Click on the Task

It is the Effort Coordinator's responsibility to review the appropriateness of the effort that has been certified. If you disagree with how the statement was certified click on **Do Not Process**. This will return the statement to the individual and the status of the statement will change back to Not Certified, Not Processed. It is important to leave a note in the **Effort Note** section to explain why you took this action.

If you want to stop your review click the **Cancel** button – this cancels any action you have taken and returns you to the **Work List** page.

If you agree with how the statement was certified, click on the **Process** button to finalize the statement and move it into Certified, Processed status.

Process Base Effort Statement (09/01/2017 to 11/30/2017)

Frequency: Quarterly

If the individual correctly certifies to a percentage that is different than the computed percentages, ecrt calculates the dollars related to the changes and shows them in the **Labor Redistribution** column. Click on the **Labor Redistribution** button because a Labor Redistribution needs to be processed. This will move the status of the statement to Certified, Labor Redistribution Required or Pending. A **Labor Redistribution Notice** is created in the **Manage Effort Notifications** tab. This serves as a reminder to process a Labor Redistribution in Banner based on the review that you just performed. This is simply a list of tasks that can be manually deleted (using the Red X) at any time.

Process Base Effort Statement (09/01/2017 to 11/30/2017)

Frequency: Quarterly
 Due Date: 1/22/2018

Covered Individual: Valeria Valencia
 Title: Faculty Associate
 Department: 53338 - 53338 - Biomedical Sciences Eip
 Email: valeria.valencia@ttuhsc.edu
 Status: Certified, Not Processed

Location: El Paso
 Effort Coordinator: Jonathan Lopez
 Period of Performance: 09/01/2017 to 11/30/2017

The Process Effort screen provides you, the administrator, the ability to process or not process a certification. If an activity is above or below the configurable threshold, currently set at 25, then the activity will be highlighted in yellow. This is an indication to you that it may be necessary to contact the sponsor of that activity.

Buttons: Cancel Labor Redistribution Process Do Not Process

Once the Labor Redistribution is processed in Banner, it will be picked up by ecrt the next day. If it brings computed and certified effort within our 2% threshold – it will automatically apply to the statement and update the statement status to Certified, Processed. If the labor redistribution does not bring the computed and certified effort within 2%, a **Payroll Adjustment Reconciliation** task will be created in the **Effort Tasks** tab of the **Work List** page.

Click on the **Payroll Adjustment Reconciliation** link to review and resolve the task.

The screenshot shows the 'Work List for Valeria Valencia' interface. The 'Effort Tasks (1)' tab is selected, displaying a table with one entry: 'Payroll Adjustment' for employee 'Zuckerman, Marc' on '07/27/2018 6:34 AM'. A red box highlights the 'Payroll Adjustment Reconciliation' link in the task description, with an arrow pointing to the task row.

The **Payroll Adjustment Reconciliation** screen displays the details of the Labor Redistribution and also the effects it has on the effort statement. The Effort Coordinator can review how much the individual originally was paid and certified on each FOP – and then review how the current Labor Redistribution will change those numbers.

The only option an Effort Coordinator has in this screen is to click on **Post and Re-open**. (Because computed and certified effort are not appropriately aligned). The statement status is updated to Not Certified, Not Processed, and Reopened by Labor Redistribution, and the individual will need to re-certify this statement.

Payroll Adjustment Reconciliation

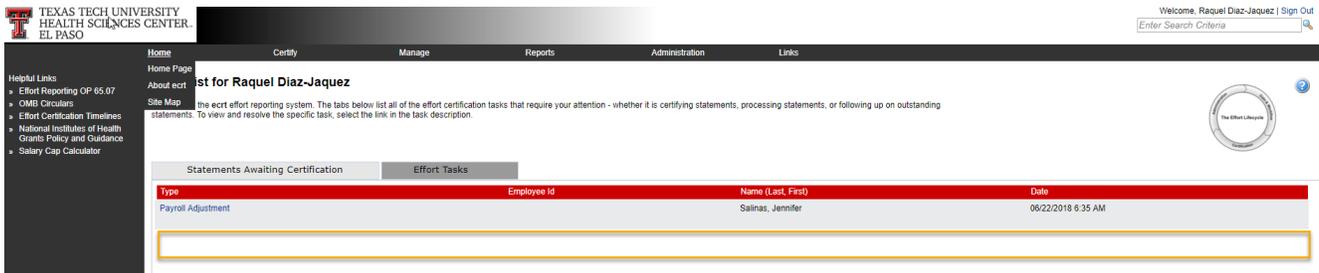

The Payroll Adjustment Reconciliation page presents to administrators payroll and cost share transactions that impact historical Effort statements and allows them to determine how to treat those transactions. The actions a user can take, represented by the presence of buttons displayed below the transaction summary, are determined by the institution's configured thresholds and the responsibilities assigned to the user's role.

To view and resolve the specific task, select the link in the task description.

Statements Awaiting Certification **Effort Tasks**

Type	Employee ID	Name (Last, First)	Date
Payroll Adjustment		Salinas, Jennifer	06/22/2019 6:35 AM

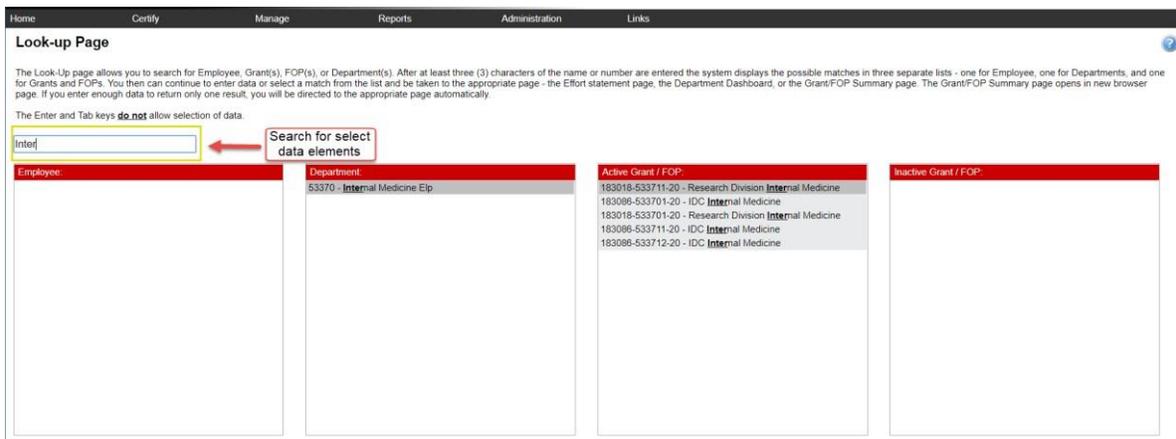

Manage:

There are five links available in the menu drop down list for the **Manage** label on the navigation menu bar: **Manage Home**, **Look-up**, **Department Dashboard**, **Manage Effort Notifications** and **Effort Statements on Hold**.

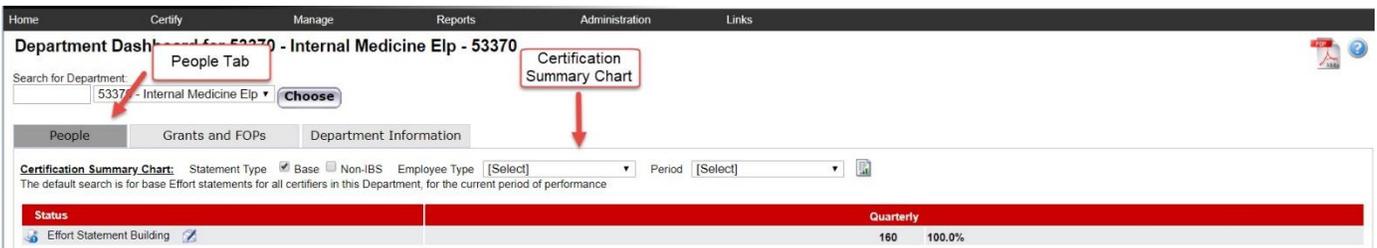

Look-up page - The **Look-up** page allows you to search for select data elements in the system, specifically people, departments, active and inactive Grants/FOPs. Users can enter employee name, employee R number, department name, department number, grant/FOP name, or grant/FOP number to see results.

When the text entered produces a single result, regardless of whether that result is a person, department, or grant/FOP, the application will automatically direct the user to the appropriate page for that entry. If the single result is a person, the user is directed to the effort statement page for that person. If the single result is a department, the user is directed to the **Department Dashboard** page for that department. If the single result is for a grant/FOP, whether active or inactive, a new browser window opens with the **Grant/FOP Summary** page for that account displayed. If a search term yields two or more results, you can select the correct result to be taken to the appropriate page or enter more text to get to a single result.

Department Dashboard - The **Department Dashboard** page is broken into three tabs – **People, Grants and FOPs**, and **Department Information**. At the top of the **Department Dashboard** page the department name and number are displayed above the search field. On the right side of the page is a link to the Monthly Funding and Effort Information Report. The link opens the PDF version of the prior month’s report for the department.

The first tab on the **Department Dashboard** page is the **People** tab, which contains information about all of the institution’s employees that have a relationship to the department. The **Certification Summary Chart** allows you to define the statistics to review. You can select the **Statement Type** - either Base or Non-IBS - using the checkboxes, the **Employee Type** in a drop-down, and the **Period** in a drop-down. To the right of the Period drop-down is the Related Reports link. When you click on the link the list of available reports appears. When first accessing the page and no parameters are established, the chart shows the statistics for all statement types and all employee types for the most recent Period of Performance. For each status, it shows the number of individuals in the status, and the percentage of the total in each status.

This chart shows the most common statuses used and gives a brief description of the status.

Most Common Statuses	
Status	Description of the Status
Effort Statement Building	This status indicates that an Effort Statement is not yet ready for certification. This occurs during the period of performance when payroll and profile data are being loaded and the Effort Statements are being built.
Not Certified, Not Processed	This is the status that the Effort Statement is ready to be certified. Effort Statements move to this status when the Certification Period begins and the statement requires an individual to certify.
Certified, Not Processed	This status indicates that an individual certified his/her Effort Statement, and has been routed for review/approval to the Effort Coordinator. The Effort Statement will remain in this status until that review has been performed.
Certified, Processed	When the Department Administrator reviews and processes an Effort Statement, the status changes to this. All certified Effort Statements should change into this status by the end of the Certification period.
Auto Approved	This status is for Effort Statements that are auto-processed by the system. This occurs only when the university utilizes the auto-process functionality in eCRT, which automatically moves effort statements that have no sponsored payroll associated to them into status. This will occur on the Certification Period Start Date.
Certified, Processed, Labor Redistribution Required	This status is when an Effort Statement has been certified by the individual at different percentages than the computed effort. When reviewing the certified effort statement, the Effort Coordinator moves the statement into this status to mark it as a statement where the Certification is correct, but a cost transfer needs to be processed in order to properly align computed and certified effort.
Labor Redistribution Pending	This is the status of a Certified, Processed Effort Statement when a cost transfer has been loaded into eCRT which will effect the computed effort percentages in that statement. Department Administrators will review this Payroll Adjustment Items and post the items to the Effort Statement.
Not Certified, Not Processed, Re-Opened by Labor Redistribution	This is the status of an Effort Statement where a cost transfer was applied and now the statement needs to be re-certified by the individual due to changes in the payroll percentages on the Effort Statement.
Not Certified, Not Processed, Re-Opened	This is the status of an Effort Statement that has been re-opened by an Effort Coordinator or Central Administrator. Effort Coordinators will only be able to re-open an Effort Statement during the Certification period.

This chart shows the most common statuses used and gives a brief description of the status.

The **Covered Individuals** List is below the **Certification Summary Chart**. Covered individuals are assigned to a department based on the individual's primary department assignment. The list is divided into four sections:

- **Sponsored** - individuals in this Department who work on sponsored projects
- **Non-Sponsored** - individuals in this Department who do not work on sponsored projects – these statements will be automatically approved
- **Non-Department** - individuals who are in a different home department but work on a grant in this department
- **Terminated.**

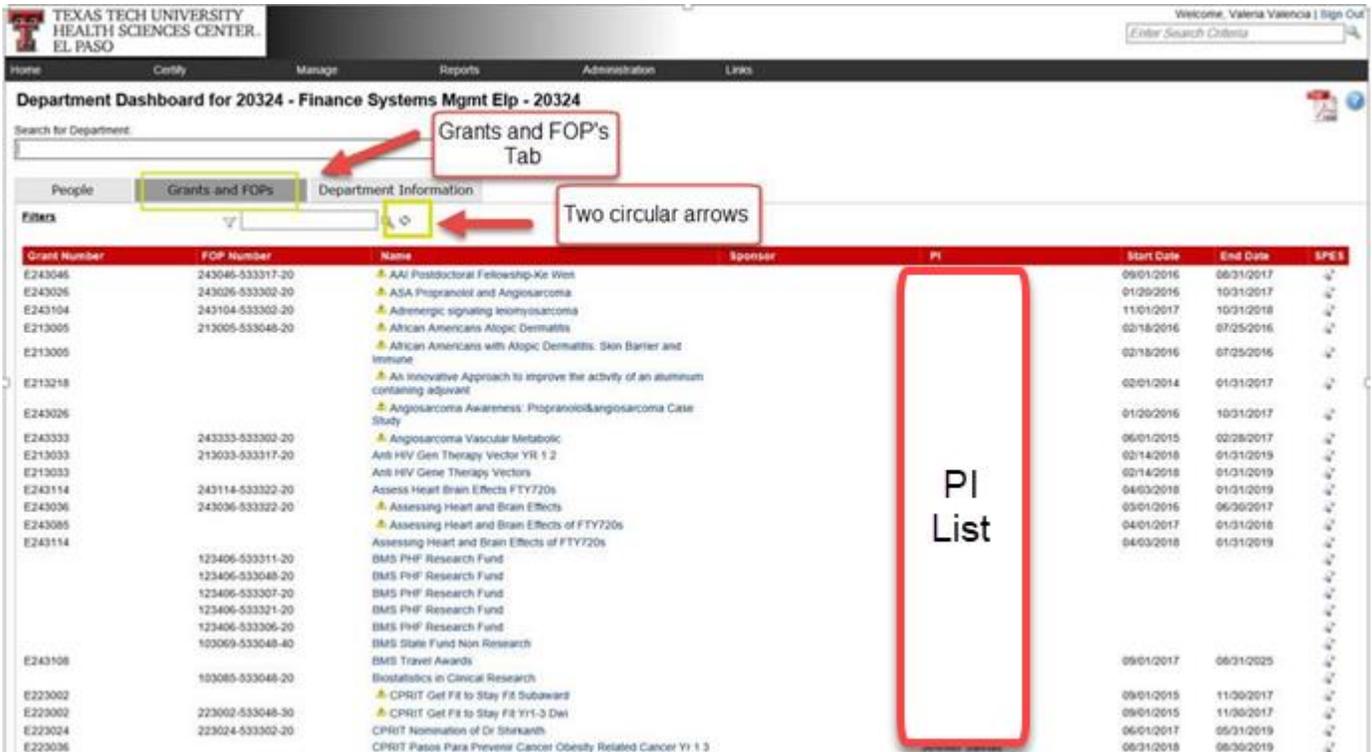

The **Covered Individuals** list can be filtered in four ways – name, employee ID, role, and employee type. To apply a filter, select the funnel icon to see the list of filters. Then select the appropriate radio button corresponding to the desired filter and select the magnifying glass. If you select the Role or Employee Type filter, the search box is transformed into a drop down list populated with the options for each. Make your selection from the drop down list, and click on the magnifying glass to apply the filter. The list refreshes to show the results from your selection. To return, click on the funnel icon, select Name and click on the magnifying glass icon.

The **Covered Individuals** list contains seven columns for additional information. The first column is the employee's **Name** followed by the **Alternate Effort Coordinator, Employee ID** (or R Number), **Role, Employee Type** (which is always Quarterly), **Statements** and **Action** column. For the employee's **Role** column, if a user has more than one role then hovering over the listed role will display a list of all roles assigned to the person. The **Statements** column will show up to five icons representing the individuals most recent effort statements. If you hover the mouse over the icon of effort statement the period and status of that statement will display. To review the certification statement simply click on the icon.

The **Action** column contains the commitments stoplight - Hovering the mouse on the commitments stoplight icon displays a popup message that contains commitment monitoring information at a quick glance. The system's "**stoplight**" (red) icons informs you whether there are any concerns about individuals satisfying their commitments, such as total committed effort is greater than 100%. The **magnifying glass** icon provides a link to the Manage Users page for that individual and the **pen and envelope** icon will send an email to the individual.

The Grant/FOP **Name** is a link to the **Grant/FOP Summary** page. When you hover over The yellow icon to the left of the **Name**, it indicates that this is inactive.

The **two circular arrows** icon next to **magnifying glass** allows you to refresh the list to show only the active Grants and FOPs. You can reset the page by clicking on the **magnifying glass**.

The **Department Information** tab contains the information about the department’s effort coordinators and the department relationship tree.

The names, phone numbers, and email addresses of the department’s effort coordinators are shown. The Primary Effort Coordinator is highlighted in yellow. This individual will receive all of the effort processing tasks that are created when individuals certify effort statements. The secondary effort coordinators are listed without highlighting. Any additions or changes to this list will be made by the Central Administrator.

The **Action** column in the Effort Coordinators list allows you to go to the **Manage Users** page for the coordinator by clicking on the **magnifying glass** icon and email the effort coordinator by clicking on the **pen and envelope** icon.

The **Department Relationships** tree shows the department's position in the organization structure.

Work List for Valeria Valencia

Welcome to the **ecert** effort reporting system. The system allows you to certify effort statements, or following up on outstanding statements. If you have any questions or need assistance, please contact your supervisor or the system administrator. If you are a certifier, you can also view your effort statements and manage your effort tasks that are pending certification. If you are a manager, you can view the effort statements of your subordinates. If you are a manager and you have specific tasks that are pending certification, select the **Department Dashboard** link in the top navigation bar.

ecrt Reporting

Category	Reports	Description
Management Payroll/Cost Share	Commitment Listing Report Certifiers Over Commitment Settings Report Monthly Commitment Summary Report	The Commitment Listing Report is a user to see a complete list of all commitments for a user for a specific date range. The user can determine whether the report will include awarded commitments, proposed commitments, or both. The Commitment Listing Report has three query fields. You can search on an employee, FDP (active or inactive), or date range. You can modify the Commitments displayed on the Commitment Listing Report using the two icons that may appear in the "Actions" column. The first icon is a red 'X' that allows you to remove that Commitment from the certifier's portfolio. The second icon is a scroll with a magnifying glass on top of it. Selecting that icon allows the user to edit the Commitment information that corresponds to that FDP. There are two additional resources that are available from this report. Clicking the

The **Manage Users** link is the only link available to the effort coordinator in the menu drop down list for the **Administration** label. The page presents a data entry search box. You must search by last name only, first name only, ID number only, or by last name then first name. Type in a minimum of three characters from the intended result, and then pause for a few seconds. The program will query the database, and download a list of matches to the search text, which appears in a blue box under the search box. Put the cursor on the intended result, click the mouse or hit the enter key and then click on **Choose**.

[+] Manage Users

Choose a user to administer.

Choose
Click on "Choose"

- Franco Hector L. -
- Franco Carlos F.
- Franco Susana -

As an administrator, you have complete control in managing the roles associated to any system user. By selecting a user from the box, you'll be able to activate or deactivate a user, manage the system roles they have access to and manage their associated departments. Each of these operations allows further management of all system users.

The search can be conducted using first name, last name, or R number.

When you view this page, if there is a "loading data" indicator, then please wait as the screen populates your data. If there is no "loading data" indicator, then please type the name of the person you are searching for and wait for the results to load. It may take a couple of seconds to load your results.

In the top section you can see the basic user demographic information and their email address. If any of this data is not correct, a change needs to be made in Banner. All ecr data is fed directly from Banner.
