## Introduction:

The Position & Salary System (PASS) is an automated system which allow departments to request position or salary changes. PASS will replace all paper form transactions for [New Positions](#), [Reclassifications](#), and [Salary Reviews](#).

This manual provides step-by-step guidance to create, submit and track a transactions in PASS

Anyone with ePAF originator access can create transaction in PASS. To access the system, please visit [pass.app.texastech.edu](https://pass.app.texastech.edu).

The system is as easy to use as filling the boxes on the paper form. The system is also intuitive and will **auto populate** as much employee, position, and organization information found in Banner. As well as Position Descriptions housed in ePM.

Just click on the **+Create Transaction** Button to begin.

Information will auto populate with originator information.
