

PROVISIONAL/TEMPORARY ACCOMMODATION APPLICATION

At times a situation may occur where a provisional or temporary accommodation is needed for a student. It is a conditional arrangement made on a case-by-case basis and is not an official approved accommodation. This arrangement is not a substitute for a student with no documentation to get accommodations nor is it a replacement for a student whose documentation has been denied. Please select which accommodation you are seeking.

PROVISIONAL ACCOMMODATIONS

- Documentation of a disability was provided but may be insufficient information to meet the Accessibility Services guidelines and/or are waiting for additional documentation that substantiates a need for accommodations. Documentation presented at least 2 weeks before an exam will be eligible for provisional accommodations;
- The Accessibility Services Manager is in the process of reviewing documentation to determine the provision of accommodations;
- Appropriate documentation is in the process of being obtained, including any upcoming evaluation appointments and an *Application for Accommodations* form is already on file. Date of appointment:

TEMPORARY ACCOMMODATION

- During enrollment, students may acquire a short-term disabling condition, often due to injury or surgery. This temporary disability is covered by the 2008 ADAAA, which allows students to apply for and receive reasonable and appropriate temporary accommodations.
- In order to receive temporary accommodations, please submit the appropriate documentation with an anticipated end date. Documentation should be from a hospital or physician indicating you had an injury, or a surgical procedure. After submitting this form and documentation, the student must meet with the Manager of Accessibility Services, who will determine the appropriate accommodations.

By signing below, I understand that complete documentation must be received within four weeks of receiving provisional accommodations or else they will be waived. If I have difficulty in meeting this deadline due to problems scheduling a testing appointment, I will contact Accessibility Services immediately. I also understand that I am responsible for notifying all appropriate faculty of my provisional/temporary accommodations. Please submit this form to the Accessibility Services Manager at disabilitysupport.elp@ttuhsc.edu or stop by at MSB II, second floor 2C201. Thank you.
