Health Care Professional Bias

Please go to:

<https://ttuhscelpaso.instructure.com/enroll/CWW8BY>

Objectives: Upon completion of this session, participants should be able to:

- 1) Appreciate the experience that a clinical visit provides to a patient with obesity.
- 2) Identify at least one institutional barrier to care.
- 3) Recognize at least one consequence of bias in a clinic setting.
- 4) Name two different types of physician bias.
- 5) Identify at least three consequences of bias in health care settings.
- 6) Review the person-centered model of health care.
- 7) Recognize the ethical and professional responsibility of a health care provider to earn and maintain the trust of patients with obesity.
- 8) Review the ethical element of providing competent medical care with compassion and respect for human dignity and rights.

Activity Director:

Jennifer J. Salinas, Ph.D., M.S.W.
Assistant Professor
Department of Family Medicine
Center of Emphasis in Cancer Research
Paul L. Foster School of Medicine
Texas Tech University Health Sciences Center El Paso

Disclosure Policy:

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education to resolve all potential conflicts of interest prior to the activity.

There is no relevant financial relationships with ACCME defined commercial interest for anyone who was in control of the content of the activity.

CME Accreditation and Designation:

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Ethics and Professional Responsibility:

This activity provides 1 CME credit toward the annual requirement of the Texas Medical Board for continuing medical education credit in Medical Ethics or Professional Responsibility.

Instructions for Participation and Credit: Before enrolling in the course, read the learning objectives and disclosures. Review the educational video and additional reading materials. Following completion of the educational content, proceed to the post-test quiz. Carefully read each question and choose the best answer. Physicians should claim only those credits that reflect the time specified in the session.

How to Claim Your Credits or Certificate of Attendance: Credit for this session will be included on participants' CME transcripts after the Office of CME is provided an attendance report. Upon completion of the course assessment, certificates indicating credits earned (for physicians) or certificates of attendance (for non-physicians) will be emailed to those who request a certificate. Please contact the Office of CME to request a certificate at cmeinfo@ttuhsc.edu.

Effective dates: Aug. 21, 2020 – Aug. 21, 2021
