

Grading & Promotions Committee (GPC) Review of Year 3 and 4

All courses for the Year 3 and 4 at TTUHSC Paul L. Foster School of Medicine are Honors/Pass/Fail. Progress of a student will be reviewed by the GPC twice per year in the context of all course work, student's professionalism, evidence of progressive improvement and personal circumstances.

Grading and Promotion Committee Review for Year 3

If	Then
Failure of one clerkship: a. Fail clinical component OR b. Fail Professional component OR c. Fail 2 attempts at the NBME OR d. Fail 2 attempts at the OSCE	GPC may recommend: a. One month remediation in the fourth year in that discipline without receiving elective credit OR b. Repeat of third year OR c. Dismissal
Failure of two clerkship (same definition as above)	GPC may recommend: a. Remediation OR b. Dismissal
Failure of the NBME in three different clerkships (on first attempt)	GPC may recommend: a. Remediation OR b. Repeat of the third year OR c. Dismissal
Failure of three clerkships	GPC may recommend: a. Repeat of third year OR b. Dismissal

Grading and Promotion Committee Review for Year 4

1. Failure of a required or elective experience in the fourth year – review by GPC for remediation, repeat of year or dismissal.
2. Failure of more than one month in year 4 – review for remediation, repeat of the year or dismissal.
3. Failure of Step 2 CK or CS on first attempt – no review required by GPC but student must log a pass of CK and CS by May 1 in order to graduate in May.
4. Failure of Step 2 CK or CS on the second attempt – discussion by GPC of remediation and delay of graduation.
5. Failure of Step 2 CK or CS on the third attempt – recommendation for dismissal.
